

## Take Action! NATIONWIDE Conservative Audiences

Take Action! NATIONWIDE represents a strategic new way of reaching Americans who care passionately about the “hot-button” issues of today!

Using the most advanced modeling techniques and representing the entire United States population, Take Action! NATIONWIDE is available for all mailers and marketers needing to reach the hearts, minds, and pocketbooks of involved citizens!

DonorBase members can leverage an additional \$50 billion in charitable giving data and the use of customized models devoted to their cause.

**Take Action! NATIONWIDE helps you reach conservative advocates and supporters focused on your causes, including:**

- Against Gov't Provided Healthcare (73 million)
- Against “Climate Change” Regulations (78 million)
- Conservative Voters (56 million)
- Pro-Life (78 million)
- Supports a Strong/Expansive Military Role (76.5 million)
- Supports Closing the Border (77 million)
- Supports Donald Trump (78.6 million)
- Supports Elimination of Welfare (75 million)
- Supports Freedom to Own/Buy Guns & Right to Bear Arms (76 million)

**Reach your best prospects online, by mail, Facebook, or email.  
Partner with DonorBase today to help your organization  
exceed your program goals!**
